Elementa Modular Outdoor Kitchens include complimentary delivery and professional installation!

How the Elementa System Works...

1 Select your built-in BBQ

A wide selection of 4, 5 and 6 Burner barbeques from Ziegler & Brown, Beefmaster Premium and Cucina to choose from.

2 Select your modules + configuration Mix 'n' Match to suit your needs:

3 Select your cabinet colour

12 colours to choose from — inject some colour into your outdoor living space!

4 Select your bench top material

Opt for simple stainless steel or luxurious granite bench tops.

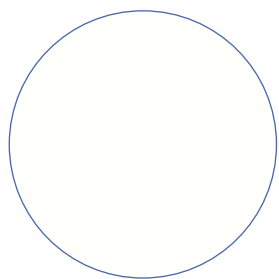

Granite is a natural stone and a great choice for any entertaining space. Denser and stronger than all natural stones, granite is an excellent choice for high traffic areas delivering class and style. Each slab is unique containing individual fleck and grains. The beauty of granite provides an aura of opulence and sophistication superior to any other surface.

Granite is easy to clean, scratch resistant and adds value to your home. An investment in granite will have you admiring its beauty for years to come.

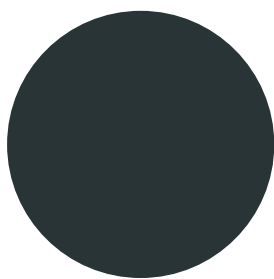

* Sink, Mixer tap and Fridge available as optional accessories.

Elementa is Australian made for Australian living!
