Sink Cabinet*

Includes pre-cut hole for stainless steel sink for simple installation.

* Sink, Mixer tap and Fridge available as optional accessories.

The Elementa Modular Alfresco Kitchen

The Elementa Modular Alfresco Kitchen is a quality Australian made system designed to offer you the perfect platform from which you and your family can create and entertain outside. Providing the ideal alfresco kitchen for any style conscious home chef, Elementa's striking range gives you the perfect excuse to indulge in the great Australian pastime of outside entertaining!

Specifically designed to suit the Kitchen Collective range of built-in BBQs, each *Elementa* kitchen will transform any entertaining area; the modern design will suit any sense of style or taste.

Combining the striking aesthetic of UV resistant Akril coloured polymer doors and panels, stainless steel or custom bench tops and galvanised steel cabinets, an *Elementa Modular Alfresco Kitchen* will be the envy of friends and guests as it brings a new dimension of functionality to your home!

Easy to clean and weather resistant, each *Elementa Modular Alfresco Kitchen* is built to suit any outdoor under cover area. Spend crisp autumn afternoons and balmy summer nights outside with loved ones—enjoying good food, great conversation and an impressive and stress-free cooking space.

Providing a remarkable look and feel, quality craftsmanship and phenomenal potential, an *Elementa Modular Alfresco Kitchen* will effortlessly stand the test of time and add value to your home.
